

2009 Pharmacy Directory

This booklet provides a list of PrimeTime Health Plan's network pharmacies. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about PrimeTime Health Plan network pharmacies in your area, please visit our website at www.primetimehealthplan.com or call Member Services at 330-363-7407 or 1-800-577-5084, Monday through Friday 8AM to 8PM. TTY users should call 330-363-7460 or 1-800-617-7446.

Introduction

This booklet provides a list of PrimeTime Health Plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and PrimeTime Health Plan's formulary. If you have additional questions, please call Member Services at 330-363-7407 or 1-800-577-5084, Monday through Friday 8AM to 8PM. TTY users should call 330-363-7460 or 1-800-617-7446. Or, visit our website at www.primetimehealthplan.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by PrimeTime Health Plan. In most cases, your prescriptions are covered under PrimeTime Health Plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Preferred pharmacies are pharmacies in our network in which our Plan has negotiated lower cost-sharing for its plan members for covered prescription drugs than at non-preferred pharmacies. However, you will still have access to lower drug prices at non-preferred pharmacies than at out-of-network pharmacies. You may go to either of these types of network pharmacies to receive your covered prescription drugs.
