

"AultCare...Caring People...Caring Providers...Caring for YOU!"

Electronic file transfers to AultCare can be done via FTP at "<ftp://www.aultcare.com>" with PGP encryption or through our web site "<http://www.aultcare.com>" via an interactive SSL file transfer. To get a login for either site, download and complete a non-disclosure form and check which transfer method is preferred. If FTP is selected you will need to supply your PGP key and the IP address that will be used to access our FTP site. If you have any questions or problems email the AultCare Help desk using the Contact Us form on www.aultcare.com.
