

WE ARE HIRING

BUSINESS DATA ANALYST

For 36 years, through the use of innovative plan designs, superior customer service, and a high-quality network, AultCare strives to satisfy enrollees and clients with their healthcare options.

The AultCare Contracting department is responsible for establishing contractual allowances and contract provisions for all network providers. This department examines market trends including the Centers for Medicaid and Medicare Services (CMS) and industry data. The data trends are then used in developing fee schedules, custom contracts and business strategy. The Business Data Analyst position is an integral and valuable part of the overall contracting process.
