Notice of HIPAA Special Enrollment Rights

We would like to take this opportunity to advise you of an important provision in your health care plan. To participate, you must complete an enrollment form. Dependent upon which specific plan you wish to enroll in, you may have to pay part of the premium through payroll deduction.

Additionally, HIPAA requires that we notify you of the "Special Enrollment Provision".

Special Enrollment Provision

Loss of Other Coverage. If you decline enrollment for yourself or for another eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within **30** days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within **30** days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact your AultCare Service Center at 330-363-6360 or 1-800-344-8858.

Procedures for Requesting Certificate of Creditable Coverage/Certificate of Health Plan Coverage

HIPAA requires that plan sponsors and/or insurers provide a Certificate of Creditable Coverage/Certificate of Health Plan Coverage (HIPAA Certificate) to each individual who requests one, so long as it is requested while the individual is covered under the AultCare Health Plan or within 24 months of the individual's coverage under the AultCare Health Plan ending. The request also can be made by someone else's behalf for an individual. For example, an individual who previously was covered under the AultCare Health Plan may authorize a new plan in which the individual enrolls to request a certificate of the individual's Creditable Coverage/Health Plan Coverage from the AultCare Health Plan. An individual is entitled to receive a Certificate upon request even if the AultCare Health Plan has previously issued a Certificate to that individual.

Requests for Certificates should be directed to AultCare Corporation, Attn: Member Services, P.O. Box 6910, Canton, Ohio 44706-0910 or by calling your AultCare Service Center at 330-363-6360 or 1-800-344-8858.

Telephone requests are accepted only if the Certificate is to be mailed to the address the plan has on file for the individual to who the request relates. Other requests must be made in writing.

All requests must include:

- The name of the individual for whom the Certificate is requested;
 - AultCare Group Number and Identification Number
-
- P.O. Box 6910 | Canton, OH 44706
 - PHONE: 330-363-6360 | TOLL FREE: 1-800-344-8858
 - TTY LINE: 711
 - WEBSITE: www.aultcare.com

- The last date that the individual was covered under the plan;
- The name of the participant that enrolled the individual in the plan; and
- A telephone number to reach the individual for whom the Certificate is requested.

Required written request must also include:

- The name of the person making the request and evidence of the person's authority to request and receive the Certificate on behalf of the individual
- The address to which the Certificate should be mailed.
- The requester's signature

After receiving a request that meets these requirements, the plan will act in a reasonable and prompt fashion to provide the Certificate.

(Note: A preexisting condition exclusion does not apply to enrollees of AultCare plans that have renewed effective January 1, 2014 and after.)

The Certificate of Creditable Coverage/Health Plan Coverage can be used as proof of loss of coverage.
