The True Holiday Spirit

Now that Hanukkah is underway, and with Christmas and Kwanzaa on the way, I thought it would be timely to share a reflection about getting into the true holiday spirit with some of the best gift suggestions that we can put on our lists. Enjoy this gift list and the spirit that is produced as we do:

To your enemy . . . forgiveness
To an opponent . . . tolerance
To a friend . . . your heart
To a customer . . . service
To all . . . charity
To a child . . . a good example
To yourself . . . respect

Perhaps Julieanne O'Connor sums it up best:

It's not about presents, but it is about presence. Therein lies the spirit of the holiday season.

Enjoy the gift-giving season with this perspective. An everlasting spirit of the holidays may just continue throughout the entire year if we do!

Enjoy the start to this year's holiday season!
