

MONDAYS *with Mike* MONDAYS

Mother's Day

When you consider the noble, saint-like work of mothers, it is truly the perfect example of leadership "in real life." To that end, here are a couple of quotes to make you smile and acknowledge the awesome vocation of motherhood:

Life doesn't come with a manual; it comes with a mother.
~ Unknown

A mother is she who can take the place of all others, but whose place no one else can take.
~ Cardinal Meymillad

Thank you, mothers, for your daily lessons in leadership, perseverance, resourcefulness, and hope! When we think that we need a lesson in leadership, just reflect upon the daily tasks of a mother. Therein lies our lesson!

With appreciation and celebration of all moms!
