Mothers have the best advice

The following reflection was shared with me this past week. I thought this was a wonderful reflection on our ability to see both sides of life, but to choose the better side each time!

Hate has 4 letters, but so does love.

Enemies has 7 letters, but so does friends.

Lying has 5 letters, but so does truth.

Cry has 3 letters, but so does joy.

Negativity has 10 letters, but so does positivity.

Life is 2 sided. Let's choose the better side of it!

Have a great start to your month of June!
