

Walgreens Value Pharmacy Network

Chains and PSAs¹

The Value Walgreens Network offers deeper discounts with nationwide access to approximately 35,000² retail pharmacies. This network is anchored by Walgreens³ retail pharmacies, along with other major chains, mass merchants, grocers, small chains, Pharmacy Services Administrative Organizations (PSAOs), and independent pharmacies. The Value Walgreens Network includes a 90-day component but can also be stacked with our Walgreens90 program for maintenance medications.
