

Behavioral Health Education

About the Education

If you are an AultCare member and need behavioral health support, AultCare's behavioral health education is available to you at no additional cost.

If you are seeking extra support for depression, anxiety, substance abuse, bipolar disorder, or schizophrenia, our board-certified mental health nurse can provide you with resources available in your local area. Our nurse can also assist in providing education about your condition. Through use of resources, education and access to a trained health professional, you can be better prepared to manage your mental health.

Professional Support

You are assigned a registered nurse who will provide support in monitoring your mental health. Your nurse can answer questions you have regarding your health.

Medication Guidance

If you need help understanding your medication, we can provide you with exclusive resources to understand all aspects of your mental health.

Educational Materials and Resources

We have educational materials and resources available to provide you with the information you need for quality care.

Learn More

If you are interested in this program, please contact us and ask to speak with a nurse about our behavioral health education.
